The Ultimate Advantage

Tube & Tire Lifetime Warranty

Tires

Countrywide Tire & Rubber is proud to offer you the *Ultimate Advantage Lifetime Warranty*. This warranty covers all tires from both road and field hazards. It's this simple...

- Free replacement guarantee
- No prorating of tires
- No time consuming forms
- No shipping back tires*

Tubes

Additionally, we cover all defective inner tubes as well as a 100% of the service calls associated with them. We will arrange and pay for the pick up the defective inner tube to bring back for analysis. No service call, no need to send back the inner tube. An instant credit will be issued with one quick call to your sales representative.

The *Ultimate Advantage* is an extremely effective selling tool that will give you a huge competitive advantage over your competition. Just another VERY big reason to buy from Countrywide Tire & Rubber.

* If a defective run of tires is suspected, Countrywide may ask for the tires back for analysis. Countrywide will pay the freight on all returns.
