## **The Ultimate Advantage**

### **Tube & Tire Warranty**

#### **Tires**

Countrywide Tire & Rubber is proud to offer you the *Ultimate Advantage Warranty*. This warranty covers all tires from both road and field hazards. It's this simple...

- Free replacement guarantee
- No prorating of tires
- No time consuming forms
- No shipping back tires\*

#### **Tubes**

The "Ultimate Advantage Warranty" also applies to all inner tubes. If no service call is involved, an instant credit will be issued with one quick call to your sales representative. In addition, we cover 100% of the costs associated with a service call. In the event a service call is involved, we will issue a call tag to have the tube returned to us for analysis at no cost to you.

The *Ultimate Advantage* is an extremely effective selling tool that will give you a huge competitive advantage over your competition. Just another VERY big reason to buy from Countrywide Tire & Rubber.

\* If a defective run of tires or tubes is suspected, Countrywide may ask for the products back for analysis. Countrywide will pay the freight on all returns.
